Creation Date: 2010021316:23

(T!cell or lymphocyte or monocyte) same (supernatant or medium or media)PGPB,
USPT OR YES 12-02-2008

(T!cell or lymphocyte or monocyte) same (supernatant or medium or media) same dendritic
adj cell same antigenPGPB, USPT OR YES 12-02-2008

(T!cell or lymphocyte or monocyte) same (supernatant or medium or media) same adjuvant
same dendritic adj cell same antigenPGPB, USPT OR YES 12-02-2008

(T!cell or lymphocyte or monocyte) with (supernatant or medium or media) same adjuvant
same dendritic adj cell same antigenPGPB, USPT OR YES 12-02-2008

(T!cell or lymphocyte or monocyte) with (supernatant or medium or media) with adjuvant
same dendritic adj cell same antigenPGPB, USPT OR YES 12-02-2008

((T!cell or lymphocyte or monocyte) with (supernatant or medium or media) same adjuvant
same dendritic adj cell same antigen) and PSAPGPB, USPT OR YES 12-02-2008

((T!cell or lymphocyte or monocyte) with (supernatant or medium or media) same adjuvant
same dendritic adj cell same antigen) and prostate near antigenPGPB,
USPT OR YES 12-02-2008

((T!cell or lymphocyte or monocyte) with (supernatant or medium or media) same adjuvant
same dendritic adj cell same antigen) and prostate adj specific adj antigenPGPB,
USPT OR YES 12-02-2008
